Profile

Ms. Wang Xin graduated with the degree of Master of International Economic Law from the University of International Business and Economics. Over the past six years of practice, Ms. Wang has been engaged in corporate, securities, M&A and reorganization. She has dealt with the listing and issuance projects of many large and medium-sized state-owned enterprises, private enterprises and high-tech enterprises in China. She has provided consulting services of enterprise restructuring, stock issuance, mergers and reorganization, secondary public offering, rights offering, securities investment fund operation, trust and structured products operation, equity incentive, corporate bond issuance, short-term financing bonds, medium-term notes, corporate bonds, asset securitization and other investment and financing services to listed and unlisted companies. Her clients are engaged in information technology, resources, chemical industry, infrastructure, high-end equipment, communication equipment, telecommunication network, military industry, textile, food and catering and many other industries and fields.

Ms. Wang has solid legal and financial skills and is good at providing all-around legal services for corporate capital operations. She is good at designing trading schemes for clients based on their needs and project features and proposing flexible problem solutions or comprehensive treatment suggestions. Moreover she can effectively help clients solve difficult and complex legal problems, and provide advisory opinions and solutions for corporate operation management and development strategy. Clients and relevant cooperative agencies deeply trust her.
