Profile

Mr. Hao Zhenyu, a partner of Grandway Law Offices, is qualified as a senior economist and independent director of a listed company.

Mr. Hao worked in Xinjiang for many years, when he successively received re-education in Yutian County, Hotan Prefecture; studied at the “May 7” Cadre School in Dongquan, Xinjiang; and worked as an editor and reporter in the Xinjiang Daily News Agency; later, he worked in the Xinjiang Uygur Autonomous Region Party Committee Policy Research Office, the Office of Leading Group for Financial and Economic Affairs, and the Xinjiang Uygur Autonomous Region Supply and Marketing Cooperative. In 1997, he went to Xinjiang Guanghui Group, where he served successively as director, vice president and deputy secretary of the Party Committee of the group, and concurrently as vice chairman of Xinjiang Guanghui Stone Materials Co., Ltd. (SH.600256). During this period, he not only completed a great deal of administrative and corporate management businesses, but also founded the Xinjiang Commercial Law Firm and served as the firm’s director for nearly ten years. As a part-time or full-time lawyer in the past, he provided dozens of companies with legal services such as legal advice, stock issuance, bond issuance, M&A and reorganization, corporate restructuring, equity incentive, design and standardized operation of corporate governance structure. He also serves as an independent director of Xinjiang Zhongtai Chemical Co., Ltd. and several companies planning to go public. He is recognized and praised by his clients.

Mr. Hao has accumulated rich practical experience in years of work and practice. He not only has an understanding and mastery of company law, securities law and related laws and regulations, but also has experience in company management and operation. In particular, he can provide various development and financing schemes tailored to the actual needs of companies and put forward specific solutions to some difficult and complex problems encountered in the operation of the companies.

Since entering the workforce, Mr. Hao has led and participated in dozens of major provincial and ministerial projects, published 12 books on economic research (monograph, editor-in-chief and co-editor-in-chief), published hundreds of articles on economic research, and personally handled the reorganization, merger and restructuring of dozens of enterprises. He especially organized and led the successful listing of Guanghui Energy Co., Ltd. as the vice chairman of the company, which helped him accumulate both experience and interpersonal network.
