Profile

Mr. Yuan Xiaodong has extensive theoretical research and practical experiences in real estate and construction legal services since he began to work as a lawyer in 2006. He is the head of legal services in real estate and construction in Shanghai office.

Mr. Yuan provides many clients with general legal services related to real estate development, construction, mergers and acquisitions and financing, for which the business format covered residential, commercial, office, cultural, tourism and senior care. He specializes in assisting clients with legal planning of business plans, business negotiations, communication and coordination, as well as disputes resolution including litigation, arbitration, and administrative review of disputes in infrastructure construction, real estate development and construction work. He is also the lead author of the *Real Estate M&A Research Report* for the Real Estate Business Research Committee of the Shanghai Bar Association.

In addition, Mr. Yuan has extensive legal service experience in the areas of film and television industry, investment and financing, finance and securities. He has provided legal services for trusts, private funds, government venture capital funds and other financial clients regarding trust products and fund establishment.
