Media Coverage

According to a report from the "Legal Daily" on November 10, 2022, the seminar on "The Business Prospect and Expansion of Administrative Law Lawyers Under the Background of Compliance Era" was held online on November 7, hosted by the Provincial Lawyers Association and undertaken by the Administrative Legal Professional Committee of the Provincial Lawyers Association and the Rizhao Lawyers Association. Stephen Xu, a practical expert in the field of compliance, was invited to participate in the seminar. At the seminar, experts discussed the new concept of "administrative compliance" from different angles. They pointed out that administrative compliance will be the "business blue ocean" of administrative lawyers in the future. Administrative compliance will help companies create value, promote the optimization of local business environment, promote comprehensive administration by law, and promote the construction of the rule of law in China.
