Profile

Mr. Mou specializes in Web3, domestic and international corporate mergers and acquisitions, private equity fund investment and financing, and foreign investment matters. He also possesses extensive experience in corporate compliance and continues to deepen his expertise in corporate globalization and data compliance.

In Web3, Mr. Mou delivers legal services encompassing offshore equity structuring, investment and financing, crypto asset management (crypto fund establishment, asset management license applications), and compliance (business compliance, internal governance compliance, intellectual property and data compliance) for leading Web3 investment institutions and Web3 projects. His expertise spans DeFi, RWA, PayFi, Infra, GameFi, and NFT sectors.

In PEVC, Mr. Mou delivers full-cycle services for RMB and USD venture capital funds and M&A funds, encompassing fund manager registration, fund raising and establishment, downstream investments, and domestic and international operational compliance. He also provides fund manager due diligence, fund raising and establishment, and fund investment services for market investors and state-owned investors.
